## Institutional Perspective Plan 2022-23

## Perspective Plan

Sr. No.	Activity	The Stewardship
1	To arrange activities related to Environmental awareness. To conduct quizzes and celebrate certain days that can make people get acquainted with the current environmental issues and can stir them up to turn towards green initiatives.	IQAC & Sarus Nature Club
2	To arrange orientation programmes for the FY students students so that they become aware of subject combinations, infrastructure, attendance, discipline, Co-Curricular, Extra Curricular and Extension Activities. And also gain knowledge about the facilities available in the institution such as Library, Gymkhana, NCC, NSS, Incubation Center etc. And also arranging the "Interact with the Principal" programme for the outgoing TY Batch.	IQAC, CARE, NCC, NSS
3	Organizing National Level Seminars/Webinars on various Issues pertaining to the Education and Research.	IQAC and Other Committees
4	Arranging talks for students on a wide range of issues, which can benefit them in their day to day life.	IQAC and Different Departments.
5	To organize training programmes for teaching and non-teaching staff	IQAC
6	To conduct training sessions for the teachers who would go for Career Advancement Scheme in the coming year. To assist them in preparing them for the CAS interviews.	IQAC and CAS Committee
7	As NEP has been launched by the Union Government, sending teachers to get trained regarding this new policy and also invite veterans of the educational field to deliver talks on the same in college. And also start the preparation for the successful implementation of NEP 2020.	IQAC and all other Stakeholders
