Report of Chat GPT Workshop, Jan. 11, 2024

The workshop on Chat GPT was organized by Department of Physics, Maharashtra College of Arts Science and Commerce, Mumbai on 11th January between 10:30AM and 12:30 PM IST in Mitha Ali Auditorium. The resource person for the workshop was Ms. Niyati Jani from Ed -Tech Partnership Associate, IIIDE.

The workshop was presided over by Dr. N. K. Sharma, Head, Department of Physics, Maharashtra College, Mumbai. The session was graced by vice principal Dr. Mahmood Alam Khan and was coordinated by Dr. Poonamlata S. Yadav.

The session began with the recital of Quranic verse. The resource person, Ms. Niyati Jani was introduced to the audience by Coordinator of the event Dr. Poonamlata S. Yadav. After the formal introduction of the resource person, the technical session started.

A total of number of 86 participants participated for the session out of which 34 were male and 52 were female. The attendance of participants was recorded. A feedback form cum certificate link was shared with the participants through scan the code. The participants responded to the feedback form positively. Most of them were willing to attend such workshops in future as well.

Those who responded to feedback form were given certificate of participation via email. The session was quite informative and the respected speaker maintained the tempo throughout the session and kept the audience engaged. There were questions asked in between and at the end of the session from the speaker and students were happy by giving answer on Chat GPT. All the queries by the participants were answered by speaker enthusiastically. The session ended with the vote of thanks by Shaikh Humayrah SYBSc Physics student.

TEDx Speaker, Humanist, Author

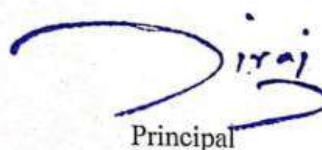

Dear Madam,

With due respect, we would like to thank you for accepting our invitation and conducting a workshop in our college on "Bio Enzymes" on Thursday, Jan. 04, 2024. We really appreciate you for taking time out of your busy schedule. Your kind presence in the workshop has inspired all the students as well teaching faculty. Your suggestions through your speech are like a guide line to move forward towards success.

It was a great pleasure to host you at our College as the Resource Person for the workshop.

We expect from you that the same cooperation will continue in the future.

With warm regards,

Principal

Report on Bio enzyme Workshop

Sarus Nature Club under GREEN CLUB of Maharashtra College of Arts, Science and Commerce organised a BIO-ENZYME WORKSHOP on Thursday 4th January 2024 from 10.30 am to 12.30 am in Mohd. Ali Mitha Auditorium for the students by the TEDX Speaker and Climate Reality Leader Nita Ganguly. This very informative workshop started with Tilawat-e-Quran by our student Kaif. After taking the blessings of the god, our student anchor Arsheen Patel welcomed everyone. Then respected Principal Dr. Sirajuddin Chougale felicitated today's speaker Nita Ganguli and Sarus Nature Club Chairman Dr. Nilima Dixit felicitated Manish Bharatia with the Tulsi Plants. Green Club student coordinator Humaira introduced today's speaker to audience followed by respected Principal Dr. Sirajuddin Chougale appealed the audience for taking care of wastes on individual level. Then Nita Ganguli started her very interactive presentation regarding plastic waste, its causes, its ill effects on the animals and how we can help to reduce this problem on our individual level with the help of bio enzymes. She demonstrated a single product made up of bioenzyme which replaces Floor Cleaners, Utensils Cleaners and Detergents by providing a #Solution To Water Pollution# and thus converting THRASH into CASH. This workshop was very informative and involved our 60 students who attended got the knowledge of practically making the solution by adding Jaggery, orange peels in water by weight method and by volume method. Every single participant attended this workshop has decided to prepare it at home. Green Club member Dr. Mayuri Joshi conducted the Q & A session for which speaker cleared the doubts of audience. Green Club Faculty Coordinator Dr. Poonamlata Yadav concluded the workshop by thanking everyone.

Date(From)	09-09-2023
Date(To)	09-09-2023
Description	The Commerce Department in linkage with the Department of BMS & BAF organized a 'Emerging Financial Systems' Programme on the 9th September 2023. Dr Mohd Mukhtar from Rizvi College of was the speaker for the Programme. In the program it was discussed how one can make use of new technologies and make the processes easier, more efficient, reduce errors, improve communication, and change how consumers see and interact with money. Most importantly, financial institutions can greatly benefit from these technologies. Emerging technologies in the financial services industry like chatbots and automation reduce man-hours, improve the quality of customer relationships, and improve profitability. Lastly Questions and Answers session was also conducted. Presence of students made the programme a big success.

The Internal Committee, in collaboration with the Department of English, organized a comprehensive awareness event on "Women's Rights in India." The program, which commenced at 9:30 am on 16th December 2023, aimed to educate students about their rights, emphasizing that the Indian Constitution allows women to seek free legal consultation. The room predominantly hosted female attendees, but a notable number of male students also participated, actively contributing to the promotion of women's rights. The event commenced with Qur'an recitation by Sumaiya Tapadar, who then introduced the guest speaker, Advocate Sana Mohammed Altaf Qureshi.

Advocate Sana Qureshi, a practicing lawyer for seven years and an alumna of our college, specialized in family and civil law. Her presentation covered fundamental women's rights in India, delving into topics like cybersecurity law, equal pay rights, and harassment laws. In her talk, she emphasized on domestic violence, sexual harassment at the workplace and sexual abuse cases. The program concluded with a Q &A session, where students eagerly posed questions, gaining valuable insights. The surprise acknowledgment of lesser-known rights by some students left both teachers and the guest speaker impressed. The event wrapped up with a vote of thanks delivered by Huba Patel, an English Department student. She expressed gratitude to Dr. Julekha Shaikh for organizing the event, HOD Shanti Ma'am for inviting the guest speaker, and Advocate Sana Qureshi for her informative session. Special thanks were extended to the Principal and the engaged audience. The event concluded on a positive note, with 55 students actively participating in photo sessions and presenting a token of appreciation to Advocate Sana Qureshi.

11. Guest Lecture on Career opportunities in paramedical field

A lecture on career guidance in the paramedical field was organized by the department of Zoology on **23rd January 2024** for degree as well as junior college students from various streams. The fundamental objective of the program was to provide students with comprehensive information and insights into various aspects of the Paramedical Field, helping them make informed decisions about their future career paths.

Date: 23rd January 2024

Number of students: Male = 09, Female, 63, Total = 72

Here are some of the specific objectives of the program:

1. To provide an overview of the paramedical profession, including its role within the healthcare system.
2. To introduce the diverse range of career options available in the paramedical field.
3. To provide detailed outline of the different career paths within the paramedical field, such as medical laboratory technology, radiography, physiotherapy, occupational therapy, etc.
4. To provide guidance for educational requirements, certifications, and licensure processes associated with each career path in paramedical field.
5. To discuss employment opportunities in the paramedical field, both in traditional healthcare settings (hospitals, clinics, etc.) and non-traditional settings (research institutions, public health organizations, etc.).
6. To provide detailed information on potential for career advancement, professional development, and specialization within the paramedical profession.
